SENATE ENROLLED ACT No. 291

AN ACT to amend the Indiana Code concerning agriculture and animals.

Be it enacted by the General Assembly of the State of Indiana:

SECTION 1. IC 15-15-13-9, AS ADDED BY P.L.165-2014, SECTION 1, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2016]: Sec. 9. (a) An agricultural hemp seed production license issued under this chapter authorizes a grower or handler to produce and handle agricultural hemp seed for sale to licensed industrial hemp growers and handlers. A seller of agricultural hemp seed shall ensure that the seed complies with any standards set by the state seed commissioner. The state seed commissioner shall make available to growers information that identifies sellers of agricultural hemp seed.

(b) Subject to rules adopted by the state seed commissioner, a grower may retain seed from each industrial hemp crop to ensure a sufficient supply of seed for that grower for the following year. A grower does not need an agricultural hemp seed production license in order to retain seed for future planting. Seed retained by a grower may not be sold or transferred and is not required to meet the state seed commissioner's agricultural hemp seed standards.

(c) (b) All growers and handlers must keep records in accordance with rules adopted by the state seed commissioner. Upon at least three (3) days notice, the state seed commissioner may audit the required records during normal business hours. The state seed commissioner
